

Getting to analytica China

The Shanghai New International Expo Centre has an outstanding transportation infrastructure. Whether you are traveling to the fair by plane, train, automobile or public transportation: SNIEC is always easy to reach.

Built by the Shanghai Pudong Land Development Corporation and three of the largest German trade fair companies, Munich, Hannover and Duesseldorf, the Shanghai New International Expo Centre offers you all the facilities and services of a modern trade fair center. At SNIEC you can expect to experience world-class standards.

SNIEC is strategically located in Pudong's key economic development zone. There is a public traffic interchange for bus and metro, named "Longyang Road Station" (about 10-minutes walk from the station to the fairground), and one named "Huamu Road Station" (about 1-minute walk from the station to the fairground).
